Introduction

Hari Raya Aidilfitri is also known as Hari Raya Puasa and is the most celebrated of all Muslim festivals here. It marks the end of the month-long fast during the Islamic month, Ramadan, and the start of a new month, Syawal. This set of pull-up banners highlights the key features of both the fasting month and the festivities.

Fun Fact! Hari Raya falls on 1st Syawal which is actually the 10th month of Hijri (Islamic) calendar.
