# BALIK KAMPUNG

Sudirman Arshad

*Perjalanan jauh tak ku rasa  
Kerna hati ku melonjak sama  
Ingin berjumpa sanak saudara  
Yang selalu bermain di mata*

*Nun menghijau gunung ladang dan rimba*

*Langit nan tinggi bertambah birunya*

*Deru angin turut sama berlagu*

*Semuanya bagaikan turut gembira*

*Balik kampung oh oh... ( 3x )*

*Hati girang*

*Ho ho... Balik kampung ( 3x )*

*Hati girang*

*Terbayang wajah-wajah yang ku sayang*

*Satu-satu tersemat di kalbu*

*Pasti terubat rindu di hati*

*Menyambut kepulangan ku nanti*

*(x2)*

I don't seem to feel this long journey  
Because my heart is racing with joy  
Longed to see my family & relatives  
Who seem to appear in front of my very eyes

In distance, I see the greenery, fields and  
forestry as well as tall mountains  
The sky, ever so high, ever so blue  
Even howling winds sound like music to  
my ears  
As though they share my joy

Back to my hometown oh oh ... ( 3x )

My heart is elated

Ho ho... Back to my hometown ( 3x )

My heart is happy/elated

I recall the faces of my loved ones  
Each one of them deeply imprinted in my  
heart

This longing in my soul will surely be  
cured

For they will welcome my return

(x2)

# SELAMAT HARI RAYA

Salmah Ismail

*Selamat Aidilfitri  
Kepada saudara serta saudari  
Setahun hanya sekali  
Merayakan hari yang mulia ini*

*Di masa bulan Ramadan  
Kita berpuasa hingga sebulan  
Pabila Syawal menjelma  
Hari Raya disambut dengan gembira*

*Miskin kaya memakai baju baru warna-warni  
Mengunjungi sanak kaum famili  
Sungguh hebat pemandangan di Hari Raya ini  
Tua muda wajah berseri-seri*

*Selamat Hari Raya  
Pada saudari saudara semua  
Marilah dengan gembira  
Merayakan Aidilfitri yang mulia  
Bermacam kuih ketupat dan rendang  
Mintak bu kuih sepotong  
Di sana kelihatan*

*Saya mahu makan kerna perut kosong*

*Dam dam dum bunyi mercun  
Kanak-kanak segera datang berduyun  
Dam dam dum mercun berdentum  
Semaraklah Hari Raya ini tahun*

*Maafkanlah jika ada terlanjur perkataan  
Diharap supaya jangan disimpan  
Kuberdoa selamat panjang umur murah rezeki  
Semoga Tuhan akan memberkati  
(x2)*

*Selamat Hari Raya!*

Blessed Aidilfitri  
To all my brothers and sisters  
A yearly affair  
We celebrate this joyous day

During the month of Ramadan  
A whole month of fasting  
When Syawal arrives  
We joyfully celebrate Hari Raya

The rich and poor all don colourful clothes  
As they go visiting their family and relatives  
What a wonderful sight during Hari Raya  
Both young and old looking charming.

Blessed Hari Raya  
To all my relatives  
With joy,  
We celebrate the glorious Aidilfitri

Many kinds of kuih along with ketupat and  
rendang  
Please hand me a piece of cake  
A wonderful spread I see  
I'm hungry and would like to eat

The fireworks go "Bang, bang, bang"  
Gathering all the children together  
"Bang, bang, bang", the fireworks explode  
This year is a joyful Hari Raya!

Please forgive any wrongful words  
I hope you don't take it to heart  
I pray that you are blessed with prosperity and  
a long life  
May God bless you.  
(x2)

Happy Hari Raya!

# ORIGAMI HOUSE

Video instructions can be found on [Easy Origami House Tutorial - DIY - Paper Kawaii](#) on YouTube

1. Decorate your origami house to make it look like your home. Write down what the word 'home' means to you.

---

---

2. What do you think the people in the song feel when they think of home?

---

---

3. Why do you think Muslims gather together during Hari Raya?
